Look for Corporate sales, firm sales, sales **Electrical installation**

I am looking for an active electrical installation gmbh to buy, take over or share.
The company should be based in the greater FFM area, have been on the market for at least 5 years and have a size of 3-20 employees.
All employees are to continue to be employed.
I would bring about 5 electricians and existing jobs in FFM.
More details are welcome in a personal conversation.
Thank you
