Manufactory for Limoncello & Sicilian Liqueurs

We are a liqueur manufacturer that specializes in producing authentic Sicilian liqueurs sustainably and regionally in Germany. Our mission is to combine the incomparable taste of Sicily with the highest quality standards, focusing on environmentally conscious production.

The growing market and the new trend: Limoncello Spritz

The market for high-quality spirits is currently experiencing remarkable growth. In particular, the "Limoncello Spritz" has become a new trend drink that is conquering the bar scene. This refreshing mixed drink combines the tangy lightness of a spritz with the intense lemon aroma of limoncello and thus appeals to a broad target group. As a manufacturer that produces original limoncello, we see enormous potential here to play a significant role in shaping this trend.
