Cannabis Community Platform

I am looking for investors and active co-founders (CEO/CMO) with company participation for a global, AI-powered project in the booming cannabis industry.

Together with a team of AI specialists in Germany and an analytics company from the USA, we are developing a B2C/B2B AI application for the global market. With a clear vision, a scalable model, proven market potential, an unrivaled USP and exorbitant returns, we are ready to establish ourselves as THE leading global platform combining AI with community-driven innovation.

Market potential: The global cannabis market is growing rapidly and gaining popularity. Especially in countries that are gradually legalizing cannabis, such as the USA, Canada, Germany, Spain, the Netherlands, Luxembourg, Australia, South Africa, Uruguay, Thailand, Malta, ...

Find out more about our AI-powered community platform after contacting us. I will gladly send you the business plan and a 3-year profitability calculation after signing an NDA.
